The Daylight Store

What Better Can We Do

Than to keep before you for another week the same values that made busy shopping last week? Goods priced lower than same grade of goods were ever priced by us before. Not everything, but more of the better things at away below cost to close.

LADIES' WHITE SUITS

Without regard to their real value, new and the very best that can be had, now at half price.

White Suits of good white lawn made full skirts and very pretty waists that were \$2.98 now for \$1.49. Those that were \$3.98 now at only \$1.98.

Princess Suits, made by a high-art tailor, Goldschmidt & Co. of New York, Suits that were \$12.00 now at \$6.00. Suits that were \$18.00 and \$22.50 now at \$9.00 and \$11.25. New this season, nothing better.

If you are buying as good Ribbon for our price as we are selling, you are doing all right.

LADIES' WAISTS

The Waist department has felt this bargain sting. Prices have had to wilt. They are out on our tables at reduced prices.

It may be poor judgment to cut the price as we do to clean up stock.

We have tried in former years both plans and find that a half price sale does the business clean. The stock gets us back a part of our money and pleased customers.

It is a great advantage to ladies that do not have wads of money to spend to get at these sales.

STOCK CLEANING

Last season we had a big sale on a certain Bleached Bath Towel at 10c. We now have another lot at the same price, 10c.

We have a medium sized Huck Towel with colored border at 5c each.

One piece of Embroidered Spot Muslin that was 25c now at 15c.

You will have one more chance at Silk Muslins, the best 50c quality, now at 25c (half price).
75c Rajah Silks, this season's silks, now to close at 49c per yard.

Special Sale on Household Ammonia

Everybody knows that Parson's Household Ammonia is the best high-grade Ammonia on the market. It is 18 degree test and therefore requires only about one third as much to do the same work as the lower test ammonia. Real Household Ammonia is cloudy in appearance and will not injure the skin, colors or fabrics. The regular price for the small size is 10c, but we have made arrangements with the manufacturers for an advertising deal to get their Ammonia more thoroughly introduced and shall sell the first 20 cases at two 10c bottles for 10c.
